Notice to Competitors

Competitors, through submission of entry, acknowledge that they are knowledgeable of current AAC Rules and Regulations including, but not limited to, the following:

- * This event will be held in accordance with the current rules and regulations of the Agility Association of Canada (AAC). The obstacles shall be chosen from those described in the current edition of the rules and regulations of the AAC and shall conform to AAC specifications
- * This event is open to all dogs being at least 18 months of age, purebred or mixed breed, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury or illness which may effect the dog's physical or mental performance (Judge's discretion)
- * Dogs must have an AAC number before their entries will be accepted in an AAC sanctioned trial, even if only to compete FEO. Dogs with pending numbers are not eligible to compete. Competitors must have their Dog ID Cards with them.
- * If you are sending entries by express carriers you MUST waive the signature requirement for receipt (make sure the carrier allows this), otherwise entries may not be received in time and will have to be rejected. No phoned, faxed or emailed entries will be accepted.
- * Backyard Agility Dogs (BADogs) reserves the right to refuse any entry.
- * Entries will be accepted after the closing date only if the limit has not been reached.
- * After the closing date, refunds will only be given to competitors if a bitch comes into season or the dog or handler is injured sufficiently to prevent them from competing. The Trial Secretary must be informed prior to the trial date and a certificate from the veterinarian or doctor must be provided. All refunds made will be less any AAC or other administrative fees owing on the entry.
- * All entries will be confirmed via email only where a valid address is supplied. If supplying an email address please ensure that it is valid and legible.
- * No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Acts of God, public emergency, an act of public enemy or any other cause beyond the control of the Trial Organizers.
- * No leashes, collars, toys, food or other training devices are allowed during a qualifying run. Toys will be allowed during FEO runs. Toys may be of any general configuration & must be in a good state of repair (no fur or stuffing coming loose). Handlers are permitted to interact with their dog by tugging the toy. Food, toys containing food, audible toys & audible training aids are not permitted in the ring. Be considerate of the dogs before & after you, as a toy may distract the dog on course and/or may over excite the dog following you.
- * We will accommodate handlers running more than one dog to the extent possible. Running order will be determined at the Trial Organizer's discretion. Any dog and handler not present for their run when their name is called will be ineligible to run, unless prior arrangements are made with the gate steward.
- * All dogs must be penned, crated, or leashed when not in the ring and may not be tied to any obstacle, permanent or temporary anywhere on the grounds of the trial site. Dogs are not to be left unattended unless appropriately crated. Please take responsibility for your dogs and children. Any exhibitor whose dogs or children create unnecessary disturbances or engage in unsafe or disruptive behaviour may be asked by the Trial Committee to bench in your vehicle or leave the trial site. There will be no refunds for entries if the dog or handler is dismissed from the competition for any reason.
- * Bring your own chair. You may leave your belongings at the show site - at your own risk.
- * Competitors must keep the crate and exercise areas clean. Please pick up after yourself and your dog.
- * Backyard Agility Dogs is a non-smoking environment. There is no smoking permitted anywhere on the Backyard Agility Dogs' premises. Please smoke in your car. Thank you.
- * **PLEASE NOTE:** Abuse in any form, of judges, competitors or volunteers will NOT BE TOLERATED! Anyone disrupting the trial due to poor sportsmanship or abusive behaviour will be DISMISSED from the trial. No fees will be refunded and any legs earned to that point will be null. REMEMBER: this sport is FUN for dog, handler, judges and volunteers.

DIVISION DESCRIPTIONS:

FEO	(For Exhibition – or Experience or Entertainment – Only) Open to all dogs, 18 months of age or older with an AAC ID #, as described within the current AAC rules. The handler can choose to enter a dog FEO in any division, any class and/or any height but they will not be competing for placements, titles or prizes and the results will not be reflected on the dog's permanent record. See Rule 2.5.1.
Regular	Open to all dogs, 18 months of age or older, as described within the current AAC rules.
Specials	Open to all dogs but intended for dogs which are of a size or stature that limits their jumping ability. A dog may no longer compete in Regular classes after being entered at an official trial in any Special class. However, they are eligible for the Veteran class level.
Veterans	For dogs seven years of age or older that are currently competing in the Regular division and for dogs five years of age or older which have competed in the Specials division for a minimum of one calendar year.
Junior Handler	Open to handlers under 18 years of age, as described within the current AAC rules, with a valid Junior Handler Number. If running under JH rules, titles are awarded to the Junior Handler, not the dog and the dog MUST jump one height lower than their Regular height or, if already competing at a lower height, they may jump one height lower than they are currently competing at.

CLASS DESCRIPTIONS:

Standard	demonstrates proficiency on all agility obstacles in a numbered course.
Gamblers	demonstrates the handler's strategy and the dog's ability to work at a distance from the handler. The object of this game is to accumulate as many points as possible during the opening sequence and successfully complete the gamble.
Snooker	demonstrates the handler & dog's versatility as they work together against the clock. The object of the game is to accumulate as many points as possible in the opening and closing sequences within the allotted time.
Jumpers	demonstrates a dog's natural jumping ability. The dog is required to complete a course comprised of jumps and tunnels as prescribed by the judge.
Steeplechase	demonstrates the dog's ability to run and jump at high speeds while maintaining control on the A-frame and weave poles. This class is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced or Masters Levels.
Challenge	tests the speed and handling skills of the agility team through a standard course designed more to world and international levels. This class is open to Masters Level dogs only.
Team Relay	consists of 2 dogs, each with a different handler. The game demonstrates team spirit, strategy and sportsmanship. This class is open to all dogs eligible to compete in other AAC qualifying events at the Starters, Advanced and Masters Levels. This class is run in accordance with Masters Standard rules, regulations and course design guidelines.

Additional information about the classes and title requirements is available in the AAC Rulebook, available online at www.aac.ca
