Notice to Competitors

Competitors, through submission of entry, acknowledge that they are knowledgeable of current AAC Rules and Regulations including, but not limited to, the following:

- * This event will be held in accordance with the current rules and regulations of the Agility Association of Canada (AAC). The obstacles shall be chosen from those described in the current edition of the rules and regulations of the AAC and shall conform to AAC specifications
- * This event is open to all dogs being at least 18 months of age, purebred or mixed breed, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury or illness which may effect the dog's physical or mental performance (Judge's discretion)
- * Dogs must have an AAC number before their entries will be accepted in an AAC sanctioned trial, even if only to compete FEO. Dogs with pending numbers are not eligible to compete. Competitors must have their Dog ID Cards with them.
- * Backyard Agility Dogs (BADogs) reserves the right to refuse any entry.
- * Entries will be accepted after the closing date only if the limit has not been reached.
- * After the closing date, refunds will only be given to competitors if a bitch comes into season or the dog or handler is injured sufficiently to prevent them from competing. The Trial Secretary must be informed prior to the trial date and a certificate from the veterinarian or doctor must be provided. All refunds made will be less any AAC or other administrative fees owing on the entry.
- * All entries will be confirmed via email only where a valid address is supplied. If supplying an email address please ensure that it is valid and legible.
- * No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, Acts of God, public emergency, an act of public enemy or any other cause beyond the control of the Trial Organizers.
- * Tugging in the ring before the start or after the end of the run is now allowed without penalty. Tugging can be on a leash or toy however the toy **MUST** be attached to the leash. The toy must not contain food. The leash/toy cannot be kept by the handler throughout the run otherwise it becomes an FEO run.
- * Toys of any general configuration will be allowed during FEO runs but must be in a good state (no fur or stuffing coming loose). Handlers are permitted to interact with their dog by tugging the toy during FEO runs. Audible toys & audible training aids are not permitted in the ring. Be considerate of the dogs before & after you, as a toy may distract the dog on course and/or may over excite the dog following you.
- * Use of sealed food containers in the ring during an FEO run will be allowed. Food container must be made of such material, structure and in such a way as to ensure there is no leakage of crumbs or treats and no chance of accidental spillage should the container be tossed, dropped or grabbed by the dog. The handler cannot feed the dog during the run or in the ring
- * Close-fitting collars with no attachments are permitted.
- * We will accommodate handlers running more than one dog to the extent possible. Running order will be determined at the Trial Organizer's discretion. Any dog and handler not present for their run when their name is called will be ineligible to run, unless prior arrangements are made with the gate steward.
- * All dogs must be penned, crated, or leashed when not in the ring and may not be tied to any obstacle, permanent or temporary anywhere on the grounds of the trial site. Dogs are not to be left unattended unless appropriately crated. Please take responsibility for your dogs and children. Any exhibitor whose dogs or children create unnecessary disturbances or engage in unsafe or disruptive behaviour may be asked by the Trial Committee to bench in your vehicle or leave the trial site. There will be no refunds for entries if the dog or handler is dismissed from the competition for any reason.
- * Competitors must keep the crate and exercise areas clean. Please pick up after yourself and your dog.
- * Backyard Agility Dogs is a non-smoking environment. There is no smoking permitted anywhere on the Backyard Agility Dogs' premises. Please smoke in your car. Thank you.
- * **PLEASE NOTE:** Abuse in any form, of judges, competitors or volunteers will not be tolerated! Anyone disrupting the trial due to poor sportsmanship or abusive behaviour will be dismissed from the trial. No fees will be refunded and any legs earned to that point will be null. This sport should be fun for the dog, handler, judges and volunteers.
